Heritage Act

Please note that if the Heritage Council accepts this nomination of a place or object for assessment of its heritage significance for declaration as a heritage place or object, it will be assessed under section 24 of the Act. Section 24 requires the Council to assess the heritage significance of a place or object by applying the heritage assessment criteria to that place or object. The heritage assessment criteria for a place or object are as follows:

- (a) whether it is important to the course, or pattern, of the Territory's cultural or natural history;
- (b) whether it possesses uncommon, rare or endangered aspects of the Territory's cultural or natural history;
- (c) whether it has potential to yield information that will contribute to an understanding of the Territory's cultural or natural history;
- (d) whether it is important in demonstrating the principal characteristics of a class of cultural or natural places or environments;
- (e) whether it is important in exhibiting particular aesthetic characteristics;
- (f) whether it is important in demonstrating a high degree of creative or technical achievement during a particular period;
- (g) whether it has a strong or special association with a particular community or cultural group for social, cultural or spiritual reasons, including the significance of a place to Aboriginal people as part of their continuing and developing cultural traditions;
- (h) whether it has a special association with the life or works of a person, or group of persons, of importance in the Territory's history.

As far as possible, your nomination should include information that would enable the Heritage Council to make an assessment in accordance with the heritage assessment criteria.

Location

If in a city or town, provide lot number and/or street address. If outside town boundaries, provide other location details such as land title reference. If possible, attach a map showing the place or object, and provide map coordinates. If the application refers to a portable object, indicate where the object is currently located.
